The Committee reviewed the recommendations from Iowa Municipal Workers Compensation Association (IMWCA) for the Fire Department to adopt recommended policies and training. The Committee directed the Fire department staff to begin to implement the policies as recommended the plan will be put in place by March 2017.

Stewart Kinney informed the Committee that the new fire truck is under development and should be delivered in April of 2017.

Jeff Beavers informed the Committee that the grant for a new rescue vehicle has been submitted. The chances are not favorable. We should know sometime in spring of 2017.

Ron informed the Committee that Robert Szewczyk will graduate from the Academy this month which will put them at full staff. The department has purchased four new radar cameras and two new light bars.
