

Street Committee

March 7, 2017

9:00 a.m.

Present: Kent White, Alan Huisinga, Brent Schleisman, Rick Mullin, Jim Warner, Ron Archer, Jack Hedgecock, Mark Porth, Theresa Rose

Absent: Mayor Steve Brimhall, Steve Engberg

The Committee approved request for an encroachment permit from Mount Pleasant Community School District to install fencing on city right of way at Lincoln school. The school system was requesting the City allow more permanent flip down stop signs instead of the portable ones on Lincoln and Henry. Committee approved.

The Committee approved request for an encroachment permit for the building at 103 South Jefferson. The permit will allow an emergency exit staircase to be constructed in alley.

Brent updated the Committee on which citizens are using the Grand Avenue right of way. The Committee wanted staff to monitor the usage.

The Committee reviewed and approved an Engineering Service Agreement (ESA) with Warner Engineering to asphalt overlay about 1,200 of West Washington and 1,200 of West Courtland.

The Committee began to review the downtown parking arrangements.

Brent gave an update on the Mapleleaf Athletic Complex parking lot pavement project.

The Committee recommended eliminating the restricted parking on Oakbrook Drive and Oakbrook Place.

Meeting adjourned.
