**4:30 p.m.**

Present: Kent White, Alan Huisinga, Mayor Steve Brimhall, Brent Schleisman, Rick Mullin, Steve Engberg, Jim Warner, Ron Archer, Aaron Dorothy, Jim Fitzgibbons, Southeast Blasters Snowmobile Club, Larry Maher, Theresa Rose

Absent: None

Aaron Dorothy from the Southeast Iowa Ridge Blasters Snowmobile club request to use the City right of way along Iris, Mapleleaf and North Grand Avenue. The Committee was in favor of allowing use of City right of way for snowmobile route going as planned, if they could get private use agreements from Walmart and Bob Waters.

The Committee reviewed request from Larry Maher to put fence in City right of way at 1000 East Washington. The Committee approved the request with minimum 12' from curb and understanding it is at his risk.

Mike Williams discussed his request the Committee improve the conditions of sidewalk on West Washington from Marion West. The Committee directed this to a Council work session.

The Committee reviewed the request to replace an old driveway access with a City curb. The Committee reviewed and the request was denied.

Jim informed the Committee that he is hopeful that the Winfield reconstruction project will have a bid letter, in February in 2017.

The Committee reviewed the Baker Street reconstruction project which should be ready for lifting in early winter 2017.

Meeting adjourned.
