PROJECT SHARE

Project Share is a plan supported by your municipal utility, to assist needy households in paying their wintertime energy bills.

You can help by adding a regular P.S. contribution to your monthly utility payment, or by making a direct donation to Project Share. These funds will assist neighbors in need to pay for wintertime energy costs.

Those qualifying for help will be carefully identified by an area social service agency. SE Iowa Community Action will oversee Project Share to guarantee all contributions will be handled equitably and efficiently.

So please add a P.S. - Project Share - to your utility payment each month. It's a simple way to share some warmth for those who need it.
