Permit application must be accompanied by two (2) sets of plans and a site plan. Additional information may be required as determined by the Building and Zoning Administrator.

### NOTICE

A fence permit is required for: chain link and wire fences higher than 4' and all other fences higher than 3'.

See Chapter 19.05B of City Zoning Ordinance for wall and fence regulations.

A fence permit fee is based on the Building Permit Fee schedule.

Sketch location of fence with length dimensions on the back of this application.

Additional information may be required as determined by the Building and Zoning Administrator.

I certify that I have read and examined this application and know the same to be true and correct. All provisions of laws and ordinances governing this type of work will be complied with, whether specified herein or not. The granting of a permit does not presume to give authority to violate or cancel the provisions of any state or local law regulating construction or the performance of construction. The work must be inspected when it is complete.
