

City of Mount Pleasant, Iowa

Firework Sales

February 14th, 2018

Jack Swarm, Building & Zoning Administrator

POLICIES

- All sales of fireworks must comply with laws of State of Iowa. A license must be obtained from the State before any sales are permitted in the City of Mount Pleasant.
- Sales in the City are permitted when sales in the State are permitted.
- All temporary or transient vendors must obtain a Peddler's Permit from the City. All information listed on the permit application must be provided.
- A fee of \$50 for every 30 days is required.
- Background checks and State sales tax permits are required.
- The City reserves the right to approve and restrict locations, conduct inspections, and impose necessary requirements to ensure public health, safety, and general welfare.
- Applicable provisions of the 2012 International Fire Code must be followed.
- Sign permits are not required for temporary, on-site signs. Sign permits must be obtained for off-premises signs.

Questions, Obtaining Permits

- All questions and permit submittals may be directed to Jack Swarm, Building and Zoning Administrator, 319-385-1474, jack@citymtpia.com, 307 E. Monroe St., Mount Pleasant, IA, 52641.
- Permit Applications may also be downloaded from the address below. Scroll down to "Peddler Permits". <https://cityofmountpleasantiowa.org/building-zoning/permits-fees/>
