

## Program Terms and Conditions

This rebate program is being offered by **Mount Pleasant Municipal Utilities** which will be referred to as "The Utility" throughout this document. Rebates are limited to one rebate of each type per structure, per year. **Applicant must be a current electric customer of The Utility.**

The Utility does not guarantee that the installation of additional insulation products and operation of energy Efficiency equipment will result in reduced usage or demand or in cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall The Utility be liable for any incidental or consequential damages or injuries resulting from defective products or installation.

The rebates are offered on a first come, first served basis. The Utility reserves the right to cancel or change these programs at any time. The Utility's acceptance of this application does not guarantee payment of the incentive. Prior to any payment of rebates, The Utility reserves the right to verify sales transactions.

The Utility will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates. The Utility does not endorse any particular manufacturer, product, system design, claim or retailer in promoting this program.

## INSULATION INFORMATION FORM

### Customer Agreement

My submittal indicates consent to and agreement with all program terms and conditions. It certifies that all information in this submittal is correct and that all of the listed new products have been purchased and installed at the indicated location. I understand that MPU reserves the right to inspect and verify installation before and after issuing payment.

**First**, refer to this brochure, or visit [Mt. Pleasant Municipal Utilities](#) webpage to learn about program details and to learn what rebates are available.

**Second**, select products based on the energy rating and terms and conditions shown in this brochure. **Only new and approved products are eligible for energy efficiency rebates.** After purchasing and installing qualifying product, please follow these simple instructions:

1. Products must be installed in a home or business receiving electric service from Mt. Pleasant Municipal Utilities.
2. **After the product is installed**, complete the online rebate application. The Utilities reserves the right to inspect equipment installation prior to the issuance of rebates.
3. Upload a sales receipt from your dealer, including a product description, purchase amount, manufacturer's name, and date installed. Products must be purchased and installed between **July 1, 2023** and **June 30, 2024**. Rebate applications must be postmarked by **July 15, 2024** to qualify for the **2023-2024** rebate program.

**Please allow 6-8 weeks for payment.** Your rebate will be in the form of a credit applied to your Mt Pleasant Utilities account. Thank you for participating in our rebate program.
