

Program Terms and Conditions

This rebate program is being offered by **Mount Pleasant Municipal Utilities** which will be referred to as "The Utility" throughout this document.

Applicant must be a current electric customer of The Utility.

The Utility does not guarantee that the installation and operation of energy efficiency equipment will result in reduced usage or demand or in cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall The Utility be liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.

The rebates are offered on a first come, first served basis. The Utility reserves the right to cancel or change these programs at any time. The Utility's acceptance of this application does not guarantee payment of the incentive. Prior to any payment of rebates, The Utility reserves the right to verify sales transactions. The Utility will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates.

The Utility does not endorse any particular manufacturer, product, system design, claim or retailer in promoting this program.

LIGHTING RETROFIT INFORMATION FORM

Customer Agreement

My submittal indicates consent to and agreement with all program terms and conditions. It certifies that all information in this submittal is correct and that all of the listed new products have been purchased, and installed and is operating at the indicated location. I understand that MPU reserves the right to inspect and verify installation before and after issuing payment.

First, refer to this brochure, or visit [Mt. Pleasant Municipal Utilities](#) webpage to learn about program details and to learn what rebates are available.

Second, select equipment based on the energy rating and terms and conditions shown in this brochure. **Only new and approved equipment is eligible for energy efficiency rebates.** After purchasing and installing qualifying equipment, please follow these simple instructions:

1. Equipment must be **installed in an existing home or business** (No new construction) that receives electric service from Mt. Pleasant Municipal Utilities.

2. **After equipment is installed and operating, complete the online rebate application.** The Utility reserves the right to inspect installations prior to issuance of rebate.

3. **Upload a sales receipt** from your dealer, including a product description, purchase amount, manufacturers name, model/serial number of equipment purchased and the date it was installed. Equipment must be purchased and installed between **July 1, 2023** and **June 30, 2024**. Rebate applications must be postmarked by **July 15, 2024** to qualify for the **2023-2024** rebate program.

Please allow 6-8 weeks for processing. Your rebate will be in the form of a credit applied to your Mt Pleasant Utilities account. Thank you for participating in our rebate program.

Lighting Retrofit

<u>Lighting Choices</u>	<u>Quantity</u>	<u>Cost</u>
LED Fixture		
LED Lamp / Bulb		
LED Auto Control Technology		
Occupancy Sensor		
TOTAL		

- **Commercial Rebates are limited to 50% of material cost up to \$2,000 per year, per legal entity.**
- **Residential Rebates are limited to 50% of material cost up to \$500 per year, per structure.**
- **The Utility will only allow Usual and Customary material expenses for each rebate item.**
- **Governmental and Industrial rebates require pre-approval and rebate amount will be determined on a case by case basis.**
- **No rebate is allowed for new construction.**
- **Must have a minimum of 4 qualifying lamps and/or fixtures to receive a rebate.**
- **For maximum product efficiency, MPU recommends that all LED's be Energy Star or Design Light Consortium (DLC) certified.**
