9:00 AM

Present: Matt Crull, Bob Griffith, Steve Engberg, Mayor Steve Brimhall, Brent Schleisman, Rick Mullin, John Boecker, Chris Ellington, and Jim Warner

Absent:

The Committee reviewed the request for a sewer credit from the homeowner at 413 N Adams St. The Committee recommended giving credit for half of the accrued amount on their bill from the leak.

Jim Warner gave an overview on the SSES Project in Rehab Area 4. The Committee recommended Jim provide the committee with two separate projects one for lining and one for manhole repair.

John updated the committee on the progress of the disinfection system at the SBR. The concrete pit has been excavated and the basin should be reconstructed within 5 weeks.

John reported that 8 blowers need rebuilding in the next year with an estimated cost of \$35,000.

John is investigating what it would take for staff to test for E. coli.

The committee continued the discussion on privatizing residential solid waste collection.
