

Program Terms and Conditions

This rebate program is being offered by **Mount Pleasant Municipal Utilities** which will be referred to as "The Utility" throughout this document.

Rebates are limited to **1** heating or cooling unit of each type per structure, per year. **Applicant must be a current electric customer of The Utility.**

The Utility does not guarantee that the installation and operation of energy efficiency equipment will result in reduced usage or demand or in cost savings. The Utility makes no warranties, expressed or implied, with respect to any equipment purchased and/or installed, including, but not limited to, any warranty of merchantability or fitness for a particular purpose. In no event shall The Utility be liable for any incidental or consequential damages or injuries resulting from defective equipment or installation.

The rebates are offered on a first come, first served basis. The Utility reserves the right to cancel or change these programs at any time. The Utility's acceptance of this application does not guarantee payment of the incentive. Prior to any payment of rebates, The Utility reserves the right to verify sales transactions.

The Utility will not be responsible for any tax liability that may be imposed on the customer as a result of the payment of rebates. The Utility does not endorse any particular manufacturer, product, system design, claim or retailer in promoting this program.

A/C & HEAT PUMP REBATE INFORMATION

Customer Information Needed

- Utility Account Number
- Name on Account
- Installation Address

Customer Agreement

My submittal indicates consent to and agreement with all program terms and conditions. It certifies that all information in this submittal is correct and that all of the listed new equipment has been purchased, installed and is operating at the indicated location. I understand that MPU reserves the right to inspect and verify installation before and after issuing payment.

First, refer to this brochure or visit [Mt. Pleasant Municipal Utilities](#)

webpage to learn about program details and to learn what rebates are available.

Second, select equipment based on the energy rating and terms and conditions shown in this brochure. **Only new and approved equipment is eligible for energy efficiency rebates.**

1. Equipment must be installed in a home or business that receives electric services from Mt. Pleasant Municipal Utilities.

2. After equipment is installed and operating, **complete the online rebate application.** The Utilities reserves the right to inspect equipment installation prior to issuance of rebates.

3. Multiple installations require pre-approval by the Utility.

4. Upload a sales receipt from your dealer, including a copy of the Energy Star Guide from the appliance, manufacturer's name, model/serial number of equipment purchased, and date installed. Equipment must be purchased and installed within the designated program year.

Please allow 6-8 weeks for payment.

Your rebate will be in the form of a credit applied to your Mt Pleasant Utilities account. Thank you for participating in our rebate program.
